USE OF TAXES TO AID JOBLESS HIT BY ASS'N

Burlingame Group In Protest To County Supervisors

Vigorous protest to the use of tax funds to help the unemployed of San Mateo county was made before the San Mateo County Board of Supervisors Monday by the Property Owners' Association of Burlingame.

Edmund Bourne, secretary of the group, declared in a letter to the board:

"Every property owner is now faced with the problem of paying taxes out of reduced income. Many property owners are themselves unemployed. Many have lost or are about to lose a lifetime of savings through foreclosure of their property. It seems to us unreasonable to tax these people for the relief of other unemployed."

In the event that the county makes available money for unemployed relief from tax funds, the protesting property owners ask that the wages be kept so low that they would attract only those men directly in need.

"The tax burden on real estate is confiscatory under present conditions," Bourne states.

No comment was made by the board, and the Bourne protest was filed.

Order Dam Builded

The board of supervisors approved the building of another dam in the San Mateo County Memorial Park to provide a public swimming pool.

Supervisor T. L. Hickey, South San Francisco, called the board's attention to the matter, saying the project would give some unemployment relief. County Surveyor James S. James estimated the cost at $1390, a sum now on hand for this purpose. Of the money, $800 will go to labor and $400 to materials. The dam will be of concrete.

The San Mateo Retail Grocers' Association, in a communication signed by George Walker, president, protested the placing of 190 orders out of 275 issued by the San Mateo County Social Service Commission with chain grocery stores. The independent stores asked a greater share of the grocery business. The board ordered the letter referred to the Social Service Commission.

The San Mateo County Federation of Improvement Clubs and Associations forwarded a resolution recently adopted which urged early start of work on the Ocean Shore highway.

Justin Tassaro, box 55, Colma, filed an application with the board to be appointed a state traffic officer.

ORIENTAL'S BODY FOUND ON FENCE

The body of an oriental was found hanging to a fence on a private road leading to the Olympic Club Golf Links west of Colma yesterday by Pete Olmo, of Colma.

The man had apparently fastened a noose to the top of the fence and then sat down to strangle himself. There was a San Francisco address in his clothing, but his identity had not been established.

WHITEHEAD TO BE IN ASSEMBLY RACE

Announcement was made today by George S. Whitehead, Redwood City attorney, that he would be a candidate to represent San Mateo county in the assembly to succeed Harry L. Parkman, who will run for the senate. Mr. Whitehead has been practicing law in this county for the past five years. He will file for both Democratic and Republican nominations.

Attorney Whitehead is a Legioneer, a former officer in the World War, well known in the fraternal and club circles on the peninsula, and has been engaged in San Mateo and Redwood City in chamber of commerce activities. He is a member of the county bar, state bar, and American Bar Association.

A native of Georgia, Mr. Whitehead graduated from the University of Georgia, and studied as a Rhodes scholar at Oxford. He taught at the University of California, and came here in 1927 to practice law.

BELMONT PONDERS ON DOG PROBLEMS

BELMONT, May 5.—The city council last evening refused to grant a permit to W. F. McHugh for the operation of greyhound kennels on the old county road. S. M. St. John, health inspector, reported that he could not pass on the McHugh kennel. John A. Enright, paddock inspector of the Bayshore Kennel Club, verified the report of St. John. Neighbors also registered complaints.

The troubles of Bernard Mock, operating a chicken ranch adjoining the McHugh kennels, seemed at an end, but Mock still insisted that the city council reimburse him in the sum of $1000 for damages brought about by the non-laying of his hens. Mock stated that the constant howling and barking of the dogs disturbed his chickens so that they refused to lay eggs.

McHugh was allowed 10 days within which time to find other quarters for his dogs.

Waldo J. Marra, fancier of highbred Chow dogs, was given a permit for keeping them on his premises.

The report of Fred Johnson Sr., building inspector, showed permits in the sum of $8500 for the months of March and April.

The dangerous parking of cars along Ralston avenue from the old county road to the Bayshore highway while people were attending the dog races was brought to the attention of the council. On motion of Louis C. Vannier the council instructed City Attorney Albert S. Mansfield to draw up an ordinance eliminating the parking of automobiles on Ralston avenue. Twenty-six acres have been provided for the parking of cars.

Burlingame Man Is Detained As Witness

Jack Funk of Burlingame, who was riding with Louis Surdez of Oakland, was detained as a material witness in Santa Barbara today as the result of hit-run injuries suffered by Dr. Frank I. Gonzalez, San Francisco dentist and grand president of the Native Sons.

Mrs. Gonzalez, who was with him when their car was sideswiped by another at Los Alamos, suffered a broken collar bone.

Dr. and Mrs. Gonzalez were taken to a Santa Barbara hospital where it was believed Dr. Gonzalez' skull had been fractured.

SOLICITORS IN CITY ARE TO BE REGULATED

Permits Granted By Council Until New Law Is Ready

After city council members had discussed the pros and cons of the subject at length Monday night in the city hall, the board gave permission to the Salvation Army and the Volunteers of America to solicit for funds and old clothes, magazines and other articles, in Redwood City.

Envoy Peterson, of the Salvation Army, asked for permission to solicit money here. He said it would be used in homes for unfortunate girls, and orphans. Only those persons who had given to this cause in the past would be solicited, he said.

At this point a letter from Mrs. Nelle Miramontes, tax collector, was read. She cited a verbal order issued several months ago by Daniel R. Stafford, then mayor, which instructed her to deny permits to outside solicitors, so that funds, clothing and other supplies could be kept in this community for the use of the local needy.

She said that some of the solicitors, in asking for permits, had been "extremely rude," and sometimes had solicited without them. She wanted definite instructions from the council.

City Clerk B. E. Myers commended the work of the Good Will Industries. He said that he knew of no law which prohibited this form of soliciting in the city.

Councilman Charles G. Lambert moved that the permit be granted to the Salvation Army, if only those persons who had given previously were contacted.

Councilman George W. McNulty wanted to know what law the city had to deny any one the right to solicit for contributions. He said the council was without authority to act.

Councilman Paul McCarthy thought the board's action might serve to regulate solicitations and keep out the unscrupulous solicitors.

Chief of Police C. L. Collins urged the council to establish a definite policy, and suggested that an ordinance similar to one used by Palo Alto, which requires solicitors to carry proper credentials, be adopted.

City Attorney Albert Mansfield was asked to draw up an ordinance to meet the needs of Redwood City.

F. H. Schottler, speaking for the Eagles' lodge, asked the council to improve the baseball diamond at Sequoia high school, which is used on week-ends by various public teams.

Councilman H. A. Beeger thought the high school was deriving enough taxes from the district and city to keep its diamond in good shape.

Councilman Charles Hildebrant expressed similar views, and Mayor William Dusel agreed. The latter also said there were no conveniences or drinking fountains at the field for the benefit of the players and spectators.

Councilman McCarthy moved that the mayor confer with the school trustees, to see if the city and the school can co-operate in providing a better diamond.

Elmer M. Rowland, in charge of the local employment bureau, told the council that the teachers of Sequoia were donating $125 a month during April, May and June for unemployment relief, and that they had requested that a portion of the money be spent on the school grounds.

City Manager E. R. Rolison was recently asked to look into this matter, but he was out of town Monday, and his report is awaited.

Mayor Dusel's resignation as a member of the city planning commission was accepted. He is an ex-officio member by reason of his office of mayor. He recommended Ex-Mayor Stafford as his successor, and the council confirmed the appointment.

Mayor Dusel also made the following committee appointments: finance, McNulty; police, Beeger; fire, Robert N. Jones; streets, McCarthy; harbor, Hildebrant, and public utilities, Lambert.

The council waived the matter of penalties on 1915 bond act assessments until the first meeting in July.

A resolution for the adoption of an ordinance requiring weed abatement was passed.

The A. B. C. singles bowling championship won by Otto Nitschke of Cleveland this year at Detroit is the third title won by Cleveland bowlers in the history of the tournament.

HEDGE CHOSEN TO SUCCEED KELLOGG

James D. Hedge today is president of the board of trustees of the Sequoia Union High School, following his election by that group. He will succeed Walter T. Kellogg, who retired as president after eight years of successful service in the office. The new president has been a member of the high school board since 1921, and for the past seven years has served as secretary.

Walter W. Hilton, who was elected trustee last year, was made secretary of the board.

The other members are Mr. Kellogg of Redwood City, who was returned to office without opposition last March; Charles H. Merrill of Menlo Park, who is completing his second term on the board, and Merritt T. Hosmer of San Carlos, who was appointed trustee of the district by County School Superintendent Pansy J. Abbott last year following the passing of Donald W. Williams.

The board took up various matters of importance to the district at the reorganization meeting Monday, including the new budget for the year, which will be adopted early in June.

DRY AGENTS RAID ATHERTON RESORT

An asserted bootlegging place near Atherton declared to have been frequented by Stanford students was raided Wednesday by federal prohibition agents.

Alexander Beltramo and Simon Morell were arrested as the alleged operators when a quantity of liquor was seized. Shortly afterward, Clifford S. Sargent was arrested at The Circle in Palo Alto as the alleged delivery man for the speakeasy.

At the Atherton place at the time of the raid were a number of Stanford students, according to Thomas Goodwin, deputy prohibition administrator. They were allowed to leave.

SCHOOL "JURY" MORE LIBERAL THAN REAL ONE

Two verdicts were cast in Superior Judge Franklin Swart's court late Wednesday, but only one is "official."

A jury filed in and awarded a $6000 judgment to Mrs. Nadene L. Dutton of San Francisco, who lost 12 teeth and suffered facial scars in an automobile crash on the Bayshore highway near Mills Field some months ago.

Then a jury composed of Mrs. A. S. Kalenborn's class in commercial law at Sequoia filed in and cast its verdict. It gave Mrs. Dutton $15,000, but it doesn't count.

The regular jury's verdict was against Corwin F. Foster of San Mateo, whose wife, an Oakland music teacher, was driver of the second car.

STATE FOUND FAVORABLE TO COAST ARTERY

Highway Commissioners Instruct Engineer To Make Survey

Survey of the proposed San Joaquin-to-the-Sea highway route from San Mateo to Half Moon Bay has been ordered by the State Highway Commission. This is the conclusion of San Mateo county's arguments for inclusion of this road in the secondary highway system of California, after a hearing at Sacramento.

Engineer C. H. Purcell was asked to survey the route and prepare data for presentation to the next legislature. The commission declared itself favorable to the proposed cross-county road. Two of them, Timothy Reardon of San Francisco and Frank Tetlar, Riverside, said they were personally familiar with it and that it was a dangerous road.

There will be between 69 and 80 miles of Northern California roads taken into the secondary system when the next legislature meets, and the San Mateo county group, headed by Justice John J. McGrath, San Mateo, came back from Sacramento last night in optimistic spirits.

Among arguments in favor of the road were that 90 per cent of its traffic originated outside the county; that it would open the coastside beaches to the interior counties and that the agricultural lands of the coast would be opened to the San Francisco markets.

Those from Southern San Mateo county who boosted the road were Supervisor John W. Poole, Redwood City; Mayor William J. Dusel, and Ex-Mayor Daniel R. Stafford, Redwood City; Surveyor James S. James, County Clerk Elmore B. Hinman; Mayor W. H. Weeden, Menlo Park; Fred H. Drake, San Carlos; Howard I. Wood of the Redwood City chamber, and Hugh Pomeroy, advisor to the planning commission.

CLUB, RETAILERS TO PROMOTE TRADE

Committeemen from the Redwood City Promotion Association met retailers in the chamber of commerce Wednesday to discuss ways to stimulate the buy-at-home movement.

Retailers were represented by W. D. Ryan, A. W. Gergen, H. W. McKenzie, W. W. Hilton and Sam Winklebleck, chairman of the retailers' division of the chamber of commerce. Clubmen were Mrs. P. Mensoian, A. Blick, G. DeHaven, F. Olson, L. Sericano and W. H. Morrisey, president. He was named chairman of the combined committee and Ryan, secretary.

A committee consisting of Hilton, McKenzie, Sericano and Mrs. Mensoian was named to plan action. The latter is chairman of this sub-committee.

SHAKESPEAREAN SPEECH CONTEST WINNERS CHOSEN

Milton Abbott and Janice Paulman won first honors in the annual Shakespeare speaking contest at the Sequoia high school yesterday in competition among boys and girls, respectively.

The two winners are eligible for cultural awards at the high school, but because of the cancellation of the annual state-wide contest at the University of California they will not advance into outside competition.

Abbott's selection was that of Hamlet. Joe Goularte was second and Don Seeley, who won the state contest for Sequoia last year, was third.

Janice Paulman took the part of Lady Macbeth. Elise Werthman was second, and Florence Barrett and Emma Lou Packard were tied for third.

Kiwanis Club Hears Talk On Far East

The history of Japanese-Chinese relations was discussed in a talk given by V. Kwong Lee Kwong at the luncheon meeting of the Kiwanis Club Wednesday at Sequoia Hotel. Mr. Kwong has been for a number of years editor of Young China, the Chinese newspaper in San Francisco.

S. E. Briggs was chairman of the meeting, which was opened by the president, John Gill.

FEW CHANGES IN RESULT OF FREEHOLDERS' VOTE; CHRISTENSEN, CASEY TIE

Southern San Mateo county's four candidates for freeholder in Tuesday's voting were successful at the polls Tuesday, semi-official figures released yesterday by County Clerk Elmore B. Hinman disclosed.

These candidates were Mark E. Ryan and Sam H. Winklebleck of Redwood City; James B. Howell of Atherton, and Mrs. Mona L. Christensen of North Palo Alto.

One tie was found to exist as the last ballot for freeholders was counted; placing both Mona L. Christensen of North Palo Alto and James L. Casey, Colma, in 14th place with 7266 each. One or the other will drop into 15th place when the 36 absentee ballots are opened by the board of supervisors in the official canvass, which was to start today.

15th Place Close

Carl W. Elfving of Burlingame, in 16th place, makes a strong bid for the 15th seat, being only 37 votes behind the Christensen-Casey total. But unless a big error is found in the official total over the semi-official, and unless all 36 absentee votes fall in his favor, it was thought that he had no chance of ousting either Casey or Mrs. Christensen.

David R. Campbell of Daly City, in seventh place, and Attorney Jacob E. McCurdy of San Mateo, in eighth place, were only 10 votes apart and may trade places when the absentee votes are counted. No other positions are expected to be altered by the official canvass, except as it may affect the Christensen-Casey-Elfving standing.

Howell High Man

James B. Howell, Atherton city councilman and Menlo Park fire commissioner, remained "high man" in the voting, polling 9073 ballots. Next came William H. Eddy of Burlingame with 8977, Henry C. Hall of San Bruno, superintendent of schools there, with 8783.

Sam H. Winklebleck, of Redwood City, publisher of The Tribune, was fourth with 8456.

Fifth place went to John C. Nowell, Hillsborough city manager, who polled 8405.

Mark E. Ryan, Redwood City fire chief, came sixth with 8352.

The semi-official figures for the 200 precincts, which will stand until altered by the addition of the absentee ballots, are:

(1)	**Howell**	9073
(2)	**Eddy**	8977
(3)	**Hall**	8783
(4)	**Winklebleck**	8456
(5)	**Nowell**	8405

(23)	**Rapsey**	5311
(24)	**Cunha**	5047
(25)	**Torello**	4668

These figures were obtained by County Clerk Hinman and his staff, and newspapermen, only after 24 hours of continuous counting.

GARNER RUNS 3RD IN SAN MATEO CO.; SMITH TOPS LIST

Speaker John N. Garner of Texas, who ran first in the state in the Democratic balloting for presidential candidates, polled only 1912 votes in the 200 precincts in San Mateo county to run third, semi-official figures released today by County Clerk Elmore B. Hinman disclosed.

Governor Franklin D. Roosevelt of New York was in second place, and Alfred E. Smith, 1928 presidential candidate, was first. The count stood:

Smith	2900
Roosevelt	1954
Garner	1912

Herbert Hoover, president of the United States, who was unopposed on the Republican side, was given a high complimentary vote of 10,148 in San Mateo county.

Prohibition Candidate Needham received a total of 3 votes in San Mateo county.

Oil control (the Sharkey bill) was defeated by a vote of 5156 "yes" votes, and 12,340 "no" ballots.

Prevention of the leasing of state-owned beaches for oil production was not favored in San Mateo county. The vote was: 7796 yes; 8056 no.

Hour Periods At Sequoia Discussed

Prospective changes in the high school class program to provide for periods one hour in length instead of those of 40 minutes were discussed at a meeting of the Sequoia faculty yesterday.

It is generally felt among the teachers that division of the day's time into periods of one hour would be more efficient than the present system.

Principal A. C. Argo and Miss Juliane Wolters, vice-principal, are working on the new plan.

"Match Burglar" To Face Court Today

BURLINGAME, May 5.—Alfred Hercher, German sailor, who stole a brief case from a Stanford campus home and unknowingly uncovered an alleged swindle gang, was scheduled to appear this afternoon before Police Judge Gaffey in Burlingame for a preliminary hearing. He is the "match burglar" for whom peninsula police kept a watch for several months. His sobriquet comes from the fact that the burglar lighted his way through houses with matches.

Ed Lewis, rangy center of the Oregon state College basketball team, was called captain for the 1933 season.

WATER RATE IN BUTANO TRACT GETS INCREASE

The railroad commission has granted the Butano Land and Development Company, operating in Butano falls tract, near Pescadero, San Mateo county, an increase in water rates of from $8 to $10 a year for domestic water.

The decision states that of the 43 consumers served by the company, 12 had refused to pay for water on the ground that they had been promised free water at the time they purchased their lots. On this point the decision says: "For this utility to permit approximately one-quarter of the total consumers on its system to receive water service free and thereby not stand their share of the burden of providing the revenue to meet the necessary annual maintenance and operation costs amounts to an unjust discrimination against the other consumers served."

WAYS TO BOOST BUSINESS WILL BE C. C. TOPIC

Meeting under the charge of the chamber of commerce retailers' division, with Sam Winklebleck as chairman, the Redwood City Chamber of Commerce will have luncheon in Hotel Sequoia Monday at noon.

Three five-minute talks on "Ways and Means to Increase Business in Redwood City" will be given by Clarence Choate, Kendall Towne and A. W. Gergen. Round table discussion will follow, according to Howard I. Wood, manager of the chamber.

CHARTER STUDY GROUP HEAD IN VOTE COMMENT

Wide Interest Shown In Freeholders, Peterson Says

Frederick Peterson, chairman of the San Mateo County Charter Study Committee, said today at Burlingame:

"The fact that more than 5 per cent of the county voters went to the polls Tuesday to cast their votes for the election of a board of freeholders indicates tremendous interest in the charter movement.

"The 15 candidates elected and to be congratulated, and the citizens should extend their appreciation to the other candidates who were not successful, as they were willing to assume their civic responsibility to serve in the capacity of freeholder and were willing to give their time, service and effort in this important task without compensation.

"The board of freeholders is now confronted with an important responsibility. It must draft a county charter within 120 days after the result of the election is declared by the county supervisors. The supervisors will canvass the votes and declare the election next Monday. The board of freeholders must then complete the draft of the charter by September 6, and file it with the county clerk. The charter will then be submitted to the electorate of the county for approval at the November general election.

"The county charter study committee offers its services to the freeholders should they desire it. Our organization will, in no manner, offer any recommendation to the freeholders and we will turn over all of the information and data that we have been preparing during the past eight months, should the board of freeholders desire it.

"We appeal to the citizens of the county to extend their co-operation to the freeholders, and to aid them in every way possible. Their time will be short for this important work, and citizens should lend a helping hand."

RESULTS CHANGED IN SCHOOL RECOUNT

Recount of votes in the recent election of student commissioners at Sequoia Union High School today gave Hulda Jordan the office of commissioner of girls' activities over Ileta Murphy, who had been announced as the successful candidate after the first count.

Final returns after a double check give Hulda Jordan 253 votes to 240 for Ileta Murphy. The latter had a margin of seven ballots in the first count.

Several other offices were the subject of recounts but the original winners of the posts were found to have the proper number of votes.

Members of the new board of commissioners, who will take the oath of office later in the month, are Roy McQuilkin, welfare; Eugene Miller, boys' athletics; Katherine DeLacy, girls' athletics; Everett Everett, boys' activities; Hulda Jordan, girls' activities; Annie Bobick, finance; George Schroeder, cultural activities; Elbridge Merrill, publicity, and Howard Dodge publications.

Larkim, Comba Case Held Over One Week

The case of J. T. Larkin against Fred Comba was up before Judge Swart yesterday for trial. Swart disqualified himself in hearing the case on the ground that he had prosecuted the plaintiff in another action out of which the present case developed. The court generously paid the costs and continued the case for one week when it will be set for trial. Judge Dooling will probably try the action.

Petition Filed For Cliff Estate Control

A petition for letters of administration in the estate of C. H. Cliff, who died in this county April 23, was on file with County Clerk Elmore B. Hinman in Redwood City today. The estate will be handled by Dr. J. C. McGovern, public administrator, because of no known relatives. It is valued at less than $10,000.

Roger, 5-year-old son of Mr. and Mrs. L. R. McGee of St. Louis, has won five first prizes in baby shows.

ANGLERS REPORT MEAGER RESULTS ON OPENING DAY

Anglers were out in force Sunday for the opening of the trout fishing season, but the majority experienced negligible success in seeking the finny tribe in streams throughout San Mateo, Santa Clara and Santa Cruz counties.

Only a few fishermen reported good catches and those were offset by the greater number of anglers who spent the day casting with 'nary a nibble.

Anglers posted the n. g. sign on LaHonda creek, which formerly offered some measure of sport for the fishermen. Reports only slightly better were turned in on the majority of the coastal and Santa Cruz mountain streams.

Nine Pounder Caught

D. P. Ryan of Menlo Park won the prize for the first day's catch. Ryan hooked a 30-inch, 9 and ¾ pound steelhead in Soquel creek in Santa Cruz county. Only small fish rewarded the angler trying his luck in Harrington creek, the San Lorenzo river, Bear creek and nearby creeks. Gus Zanoni of Redwood City reported a limit of small trout taken in the La Honda district and Perry Downs, hooked the limit at Big Sur.

A party of Palo Alto anglers, including Bert Spencer, Ralph Davies and Joe Lewis tried their luck at Sonora, and returned with several trout measuring from 12 to 18 inches in length.

Black bass fishermen reported good results in Hog slough, near Stockton and in the San Joaquin river. Otto Mayo of Redwood City fishing in the San Joaquin hooked a 20 pounder.

HARUFF LEADS EAGLE BATTERS WITH 579 MARK

Mike Haruff, veteran third baseman of the Redwood City Eagles, is off to a big lead in the batting averages of the club, with 11 hits out of 19 trips to the plate for a percentage of .579.

Haruff's lead is the result of his sensational work Sunday, when he hit four for four.

Leo LeRoy, former captain of the high school team and an infielder and outfielder with the Eagles, is in second place with .445. The club's averages:

LOCAL NINE BLOWS LEAD IN EIGHTH

By EL THOMAS

Playing their second extra-inning baseball game in two weeks, the Redwood City Eagles lost to the Jefferson club of San Francisco Monday afternoon on the high school diamond when the visitors pushed across the winning run in the 10th inning for a final verdict of 6 to 5.

After the Eagles had taken an early lead with one run in the second and two each in the fourth and sixth frames, the Jeffersons rallied in the eighth frame to touch Elsworth Hatley for four hits and four runs to tie the score at 5 to 5.

When the ninth ended with the score still tied, "Pop" Hazelhurst, the Jeffersons' gray-haired outfielder, led off the 10th with a two-bagger. Iler, catcher, flied out, but Toney, first baseman, delivered a base hit that sent in the crucial tally.

Haruff Hits Four for Four

Toney shared batting honors of the day with "Mike" Haruff, Eagle third baseman, who hit four singles in four trips to the plate.

The Jefferson victory was by the margin of one unearned run, made by Iler in the fifth after beating out his third strike.

Hatley allowed 12 hits and fanned seven, while Stone of the Jeffersons was nicked for 13 hits and struck out four.

The two teams will hook up again later in the season to complete their three-game series. The box scores:

MENLO TO ACT ON SUCCESSOR FOR HUBBARD

No action will be taken on a successor for Bill Hubbard as coach of the Menlo high school track, football and basketball teams at this time, Dean Vandervoort of Menlo declared today.

Hubbard, who has been athletic coach and physical education director at Menlo for the last two years, was offered the position as assistant football coach to Dud DeGroot at San Jose State yesterday.

"Hubbard has not notified us as to his intentions of leaving Menlo for San Jose State," Vandervoort said. "I believe, however, that he will accept the San Jose offer. But until he does, we are not giving any serious thought to a successor."

Hubbard is a former San Jose State athlete, having won 12 letters in sports at the Garden City college. He is acknowledged the greatest all-round athlete ever turned out at the school. It is understood that Hubbard welcomes an opportunity to coach at his alma mater, and his formal acceptance of the offer is expected to be made shortly.

The resignation of Hubbard, when it is offered, will leave two coaching positions vacant at Menlo. In addition to Hubbard, Menlo's athletic officials, must find a successor to Dud DeGroot as basketball coach. The latter appointment is expected to be made next week.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25c at all stores. © 1931, C. M. Co.

PUBLICATION OF SCHOOL BUDGET IS PROTECTION TO TAXPAYERS THAT BOARDS SHOULD WELCOME

School officials of some localities are stumping the state in protest against the law recently passed by the legislature requiring the boards to publish in newspapers of general circulation the school expenditures, budgets and notices of hearing on those appropriations. The chief point in the argument of the opponents of this law is that it costs the school districts money to comply with this mandate—as indeed it does. It also costs money to hire teachers, but would anyone propose that teachers be abolished for that reason?

If it were fact that the only purpose of publishing school budgets or of hiring teachers were the chance to pay out money, such a protest in each case would be justified. But compulsory publication of public expenditures and budgets is a source of protection to the taxpayers that is worth many times its cost.

As long as such publication is within the option of public officials, there is always the chance of withholding important items, thus "covering up" the things of which some taxpayers might not approve "We do not want to stir up a row," officials sometimes say when pressed by newspapers for information on sensitive points. This disinclination to "stir up a row" usually proceeds from realization that something that has occurred or is scheduled to occur in the handling of the people's business would not be popular if the facts were made known. But what right have public officials—servants of the people—to withhold pertinent information about the people's affairs merely in the interests of personal safety from censure? The right is no more defensible in public affairs than it would be in private business where accountings are made regularly by employes to the boss.

School boards and other public officials who have nothing to fear personally from a full revelation of budgetary affairs would be expected to welcome rather than oppose a law which provides that such accountings shall be not only thorough but regular in their periodic occurrence.

CAPONE'S ABSENCE IS NO WORRY TO OTHER GANGDOM MONARCHS

Al Capone today entered upon his federal prison term. This means that for 11 years this particular gang leader will not be the active menace to the peace of his home city that he has been heretofore But as far as gang racketeering, bootlegging and murder are concerned it means nothing more than the mere withdrawal of Al Capone. There is nothing in Capone's sentence that has any terror or exemplary force whatever to rulers in other empires in Gangdom. Capone is not in prison because of his connection with his most notorious crimes, but merely because he defrauded the government in his income tax payments.

"EARLY TO BED?" BAH!

LONDON.—"Early to bed, early to rise, etc.," is so much bosh, rot and poppycock. At least Sir Robert McAlpine, hale and hearty at 85, thinks so. He has slept late and had his breakfast in bed for the past thirty years. And while he believes in hard work, eight hours of it each day, he believes, is sufficient. Sir Robert eats three apples every morning and is practically a teetotaler.

Prof. H. F. Lutz, of the University of California, estimates that Alexander the Great took booty of $5,000,000 at the Battle of Issus, over $141,000,000 at Persepolis, and $212,000,000 at Ecbatana.

SUMMER SYMPHONY SERIES AT HILLSBOROUGH ASSURED

Open air symphony concerts in the Woodland Theatre at Hillsborough are assured for this summer, according to Mrs. Leonora Wood Armsby, managing director for the Philharmonic Society of San Mateo County, under whose auspices the Sunday series has been given each summer for six years. A seventh season has been made possible, she reports, through the generosity and civic interest of the guarantors and contributors, who feel that the need of emotional stimulation and spiritual uplift through great music is more vitally necessary than ever before

"The board of directors for the Philharmonic Society believed that from a community standpoint, we could not afford to allow these wonderful concerts, which have grown in popularity with each season, to lapse because of temporary conditions," Mrs. Armsby said today, "and we are greatly gratified that our guarantors have so enthusiastically and generously endorsed and supported our thought."

Final and detailed information as to the dates of the concerts and guest conductors who will direct the personnel of the San Francisco Symphony Orchestra which, as in previous seasons has been engaged, will be announced for the Hollywood Bowl and San Francisco summer concerts with which associations the Philharmonic Society co-operates in securing distinguished and renowned directors.

The numerous inquiries for information as to the Woodland Theatre concerts, however, prompted this advance preliminary announcement and additional data will be available shortly. Meantime, reservations and orders for season books are being received at the office of the Philharmonic Society at 307 B street, San Mateo.

MORE THAN 210,000 CALIFORNIA WOMEN SAY....

Electric Cooking is Economical...Modern...Clean

"I can't get away!"

"My dear... I wish we'd known about electric ranges before"

SHE never had time to go any place. Repeatedly she made excuses that really meant. "I can't go because dinner isn't ready."

Now she has a modern electric range. Her husband urged her to buy it. It seemed like the right kind of cooking apparatus to him. It was quiet, cool and run by a clock that set heating units to work at their job of cooking food. Thermometers turned of the radiant electric coils that did the cooking. It didn't require someone to stand-by as stove watchman.

Are they satisfied? Are the 210,000 California women grateful to the freedom electric ranges are granting them? Of course they are.

The modern electric ranges roast meat, steam vegetables, bake cakes and pastry to a noticeably better and more healthful tastiness. And the answer is in the even radiant heat that electricity alone can give.

Electric ranges too, are economical in operation. A considerable amount of the cooking can be done on stored heat in thickly insulated ovens, after the current has turned off. That is why examination of 1,117 electric range users' accounts show the average cost of cooking with electricity is but 1 cent a meal per person.

❖ Woodside ❖

The Woodside Gardeners' Association met in regular monthly session at the school auditorium on Monday evening. Seven new members were voted in and the schedule for exhibits during the next four months was arranged. The judges declared the awards on the evening's display to be: Iris, first prize, J. L. Hughes (Jackling); second prize, Kurt Schmidt (Rayner). Roses, first prize, Victor Canavesi (Somers), second prize, James Wilkie (Swinnerton). Antirrhinum (snapdragon), first prize, Victor Canavesi, second prize J. L. Hughes. Sweet peas (four varieties), first prize, Tony Silvera (Harris); second prize, Kurt Schmidt. Sweet peas (two varieties), first and second prizes, David Slade.

Miss Elsa Muller won the finals in the bowling tournament of the San Francisco Association last week and with it the diamond medal of the association.

The Woodside Fire Commissioners met in their regular monthly meeting on Tuesday evening. Commissioner Beck reported a substantial reduction in the insurance rates for the Woodside Fire District recently announced by the Board of Fire Underwriters following a survey of our fire defensive equipment. This result was obtained largely through the friendly efforts and suggestions of Edward W. Harrison, adjustor for Edward Brown & Sons of San Francisco. Mr. Harrison is the son-in-law of Mrs. Emma Andreen and on his frequent visits with her here has always shown a friendly interest in our fire department and has offered many valuable suggestions for the betterment of the service.

Arrangements have been made for the better protection of property in Woodside Glens by the placing of a fire hydrant directly connected with the storage tank.

In place of the regular May Day celebration, the Woodside School acted as host last Friday afternoon to the Portola School in an athletic carnival. A picnic luncheon was eaten by the two schools under the oaks in the big back yard of the school and races and games planned to meet all ages of children were strenuously contested on the baseball field. The only occurrence to mar the pleasure of the occasion was the fact that Mary Casner of Portola slipped and fell during one of the races and suffered a broken leg.

The day before that, young Jesse Nelson, while trying to imitate the feats of Tarzan as depicted on the screen, fell from a tree and broke his arm. Another instance of the evil influence upon the young people laid to the charge of the moving picture.

Miss Marjorie Wylie, supervisor of the State Teacher College at San Jose was a visitor at the Woodside School on Wednesday.

Edward T. Harrison, banker and sportsman, who served with distinction during the war, will don uniform again and help in the mooring of the Akron at Sunnyvale next week.

Mr. and Mrs. Selah Chamberlain have returned from San Francisco and have opened their home here for the summer.

Miss Ida Sciutto and Miss Ruth Bucknam, cadet teachers from San Jose College have completed their six weeks of practice teaching and will return to college next week leaving behind many friends among the pupils and parents.

Portola entertained its friends on Friday evening with a very interesting program of songs and folk dances under the direction of the teachers, Miss Florence Johnson and Miss Dorothy Vaughn and the cadet teachers, Miss Carol Sherman and Miss Carlisle.

On Tuesday, for the first time, the population of Woodside found itself divided and required to vote at two separate precincts. In some cases even families and firesides were divided as to the voting precinct in several cases the husband voting in one place and the wife in another which may have been an arrangement provided in the interests of harmony.

At an election of officers of the Woodside Volunteer Fire Department held on Wednesday evening the following officers were elected: President, Leland John; vice president, Jesse Nelson; secretary, Peter Duzanica; treasurer, John Duzanica.

"INVISIBLE" SHADOWS

STAMFORD, Conn.—Officials in the research laboratory of a heat and power company here are scientifically measuring "invisible shadows"—those caused by rays of heat. These heat rays cast shadows that cannot be seen by the human eye, and measurement of them has brought to light many interesting properties of heat.

A new French liner being constructed in St. Nazaire will make a trip across the Atlantic ocean in less than five days, it is said. It will be 1020 feet long and will be driven by four propellers. It is said to be the largest ocean liner now under construction.

More than 1,000 race horses were quartered in and around the Tanforan race track for the spring

BRIGGS HEADS BLD'G TRADES STABILIZERS

Byrnes Is Secretary; Norberg Named Vice President

S. E. Briggs, Redwood City building contractor, is the new president of a newly-formed San Mateo county building industries association.

E. L. Norberg, North Burlingame architect, was named vice-president, and Roscoe Byrnes, San Mateo, was named secretary-manager.

A general board of 29 members representing all lines of building endeavor, and headed by an executive board of seven, of which Norberg is chairman, was also selected.

The purpose of the association is to stabilize the building industry by weeding out irresponsible operators and unsound credit practices. Included in the association are not only contractors in all lines of the building trades, but lawyers, realtors, bankers, finance company heads, architects and others.

One of the first plans to be laid will be for the establishment of a central executive office for the whole industry, where records will be kept and authentic information will be made available.

SWAMPED BY CATS

LONDON — When Sidney Jay sent out a call for a black cat to take part in a movie, he had no idea he'd get so much attention. Cats sidled into his office from all parts of the city and after the final count had been taken, more than 2000 had been paraded before him to show their film appeal.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "After this I beheld, and, lo, a great multitude, which no man could number, of all nations and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they? And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely" (Rev. 7:9, 13-14; 22:17).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Divine Science rolls back the clouds of error with the light of Truth, and lifts the curtain on man as never born and as never dying, but as coexistent with his creator" (p. 557).

Joe Muniz, 43, Pescadero laborer, was free today because of the refusal of Louis Correa, 21, San Francisco printer, to swear to a charge accusing him of being the one who stabbed him Saturday night at Half Moon Bay.

Correa was reached on the telephone by the sheriff's office and said he did not want to prosecute Muniz. So the latter was released.

SHOWS DAM PRESSURE

BERKELEY.— R. W. Carlson, University of California engineer, has perfected an instrument to measure stresses placed on dams by water which they retain. The instrument, set in large numbers in the concrete of the dam, are electrically operated and register movements of one-millionth of an inch.

FAR-SIGHTED BABIES

NEW YORK.—Every new-born child is far-sighted, M. P. Julian, director of the Better Vision Institute, reports. "The reason babes are naturally far-sighted is that focusing is a muscular effort and the visual muscles have not yet had a chance to develop," he explains. "Perhaps it indicates that man was not intended for the world of minute objects he has made for himself."

CHANGE SPEED RULE

DETROIT.—Because of the recent death of Lowell R. Bayles in his attempt to break the speed record here, the Federation Aeronautique Internationale has decided to change one of the rules governing these speed flights. Under the new ruling the flights can be staged at a height of 247 feet. The height allowed Bayles was 164 feet. It is thought this increased height will allow a pilot more time to "bail out" of his plane should anything go wrong on the course.

Father Burke will leave on his vacation on Sunday for Arizona, where he is to spend three weeks. Father Burke is a hard worker and has well earned his short respite from labor.

The Native Sons and Daughters are preparing to hold a Mother's and Father's night on May 19. This is an annual affair that usually is enjoyed by the parents of the sons and daughters. Mrs. Blanchard, one of the oldest native daughters of the state, will be an honored guest. Her ancestors were here during the missionary period.

George B. Walsh, Louis Diebels and Adrian Ward depart next week to attend the Knights of Columbus convention at Riverside. They are delegates from Palo Alto Council. The delegates will return on May 20.

On Sunday, May 1, the Menlo Park troop of Boy Scouts were taken to Sutro Baths at the Beach, San Francisco, by their sponsors, the Menlo Park Post of the American Legion.

Twenty-six scouts were in the party and all went swimming. Nine of these qualified in the 50-yard swim test. After the swim the party went to the Chutes-at-the-Beach where an enjoyable time was had by all on the various concessions.

Scouts qualifying in the 50-yard swim event were: Ernest Tibbs, Bill Scott, Bob Doyle, Bernard Doyle, Chas. Palmer, Jr., Merlin Smith, Jack Dulaney, Frank Furman and Jack Walrath.

Scoutmaster Clarence Dyer and his assistant John Fachino were given assistance and transportation by Mr. and Mrs. Phil Blanchard, Mr. and Mrs. Leach and T. H. White.

The last rites of Willford Ian Walker, who died on April 29, were held on Monday. The deceased was a native of South Dakota and was 16 years old. He was a son of William and the late Margaret Walker.

This evening in the grammar school auditorium the St. James' Players of San Francisco will present a three-act comedy with an excellent cast of skilled actors and actresses. The affair is sponsored by St. Joseph's Alumni, which participates in the proceeds. Those who attend will certainly enjoy the performance.

Preparations are in progress for the garden fete at the Devol home on Saturday, May 14. A program of music and song will regale the crowd. Amusements of all kinds are sure to please. Dancing in the evening is another attraction that is sure to be enjoyed.

The entertainment last Friday night sponsored by St. Joseph's Alumni Association in honor of the fathers and mothers of the members of the society was of a high order of merit and enjoyed by all. The playlet entitled "The Dear Departed" was presented by Beth Doyle, Gertrude Wilson, Lois Wilson, Kip Morey, Bud Whittaker and Peter Bush. The tap dancing of Edward O'Keefe was well received. The saxophone number of Mr. Caldwell of Burlingame was encored. Irish songs by Harry and John Morey fairly brought down the house. Miss Agnes Sullivan's and Miss Alma Bracesco's duet met with hearty applause. The song of Miss Ruth Bracesco, accompanied on the piano by James O'Keefe, drew much handclapping. The program was opened by a piano solo by Mr. Barrett of Ravenswood. Refreshments and dancing followed.

The fishing season opened last Sunday. Only a few good catches were made, there being a dearth of trout in the mountain streams that once were the scenes of big catches by local sportsmen. Constable Grill proved the champion fisherman of the day, making a catch of 16 pounds of bass. Grill will not disclose the place where the fish were caught.

Thursday night of last week and the city council, after considerable discussion ,postponed its investigation of various charges concerning the alleged tampering of the Paraiso Park assessment roll, to May 10 because of absence of the Paraiso Park Committee. The investigation was started the night before by the council.

City Engineer Bert Mehl, whose name was brought into the affair by the committee, took the floor on his own defense and made a splendid argument, showing the fallacy of the charges made by his enemies.

City Engineer Mehl then declared that he had brought witnesses to last night's meeting and "if they were ready when that statement was made, they ought to be ready again." Mrs. Kurtz stated that she had no recollection of anyone withdrawing the assessment roll for inspection except Robert Klassen, Redwood City engineer. He called her attention to the changed figure, but at that time she "didn't think anything of it," she said.

After Mayor Weeden declared that there was no need that the hearing be held in any other place, as suggested by the Paraiso Park committee, the motion to postpone the hearing was made by Councilman E. J. Crane.

Women of the Moose Chapter 601 will give a whist party for the benefit of the Menlo Park unemployment committee Friday, June 10 at the Central School. Score cards will be 25 cents. Refreshments will be served. Mesdames C. L. Dyer, Menlo Park; G. Pence, Palo Alto and H. Bonnell, Redwood City, have charge of the arrangements.

A children's story telling hour will be conducted weekly at the home of Senior Regent V. M. Walrath and will convene the second week in June. Stories of interest to elementary school children will be read in an entertaining manner. Invitations will be given to all children who patronize the Menlo Park library. Similar arrangements are being made for the Redwood City children.

At the last meeting of the auxiliary a vote of thanks was given to Mrs. Grace Pence for her untiring efforts in behalf of the chapter's Art Circle of which she is chairman. Eva Prehn of Atherton was also highly commended for her co-operation. Mrs. L. E. Collett, chairman of the local Girl Scout Garden Tours, expressed her appreciation for the donation of two cakes given for the recent tea at the McBride estate.

A Mother's Day program will be presented next Wednesday night in honor of the annual Mother's Day celebration. Appropriate readings and music will be a feature of the evening. Mrs. Dorothy Marks of Burlingame is chairman of the entertainment committee.

Visiting Legionnaires at last night's meeting were Past Regent Mrs. Mary Avery, who is also Northern District Convention president; Recorder Mrs. Geraldine Dudley and Junior Regent Mrs. M. Ransted, all of San Jose Chapter 643. Mrs. Avery made a few short remarks about the benefits derived from visiting sister lodges. Mrs. Dudley read an article entitled "Our Obligation." Mrs. Hazel Rice, local Legionnaire, has been promoted to chapter deputy.

Mrs. Dorothy Marks, director of the play, "Henpeck Holler Gossip," reports progress and will announce the dates for the performance in the near future. A short rehearsal will be held before the regular meeting next Wednesday night in the Central School auditorium at 7:30.

REALTY MAN ARRESTED IN THEFT CASE

Sol Koff, Assistants Face Accusations In Alameda Co.

Sol Koff, San Carlos realty developer, with offices in San Francisco and Oakland, was held today by Alameda county authorities on grand theft charges along with two of his employes, Herman R. Weiss and Herman Jaffe.

The charges grew out of the alleged use of raffles in order to secure names of prospective land buyers, District Attorney Earl Warren of Alameda county declared. Warren said he had 14 complaints on file against the Koff-Weiss-Jaffe combination. Mrs. Nettie Umbreit, 2644 Thirty-fifth avenue, Oakland, made the specific complaint on which the trio was arrested.

Names of prospective buyers were obtained by conducting raffles on radios, food baskets, automobiles and real estate, Warren said.

These persons were later approached by salesmen and notified they had won a lot in a company subdivision and that registration, title insurance and other fees aggregating $49 to $75 had to be paid. The prospect was then shown his lot, usually on a hillside.

When he objected to the lot he was shown another which he could obtain for $900 to $1200, on the purchase of which the company would credit his lottery lot for $400. Contracts were signed.

But the contracts were so folded that signers failed to notice that they were obligating themselves for taxes, sewering and other costs, it is charged. Also, when the buyer checked his property later, he discovered he had been sold a lot other than the one he had been shown, it is alleged.

Forty-nine thousand school buses, it is estimated, are in use carrying pupils to rural schools in the United States.

Prof. Bohumil Shimek has been a teacher for 50 years, 42 of them as professor of botany on the University of Iowa faculty.

Crude and reclaimed rubber consumption in the United States in 1931 was less than in any year since 1925.
